Portfolio

- Teamwork
- Freelancing
- Data Analysis
- Single Page Application(SPA)

Impact: Coding with passion and unwavering purpose, transforming ideas into digital brilliance with every keystroke.

EDUCATION

Bachelor of Technology, Computer Science and Bbusiness Systems, RGPV(Bhopal), CGPA: 8.13 July 2020 — May 2024
Higher Secondary (CBSE), Vidyut Mandal Higher Secondary School, Percentage: 74 March 2019 — April 2020

PROJECTS

- ReactJs CRUD Application**, [Live Demo](#), [GitHub Repo](#) Dec 2023 — Dec 2023
- **Tech Stack Used** - ReactJs, Redux Toolkit, Tailwind, React toastify, Local Storage for user data persistence.
 - **Key Features** - **User Authentication**, Routing for navigation, Profile management, **State management using Redux Toolkit**
- Makeup Ecommerce Site**, [Github Repo](#), [See Video](#) Dec 2023 — Dec 2023
- **Tech Stack Used** - HTML/CSS, Node.js, ExpressJs, EJS, MongoDB, Multer, PassportJS, Nodemailer, GSAP, ScrollTrigger.
 - **Key Features** - **User authentication**, Two types of account, Profile Management, **Razorpay Payment Gateway**, Viewcart option, Orders history, **Product Filtering**, **Responsive**, CRUD operations on Profile, **Conditional Routing**, **Used SweetAlert and GSAP**.
- Expense Tracker**, [Live Demo](#), [GitHub Repo](#) Nov 2023 — Nov 2023
- **Tech Stack Used** - HTML/CSS, Node.js, ExpressJs, EJS, MongoDB Atlas, PassportJs, Nodemailer, Sweetalert.
 - **Key Features** - **User authentication**, Password Hashing, Add expence, Edit expence or delete expence, **Reset Password using OTP**.
- Chat-Dictive: A Chat Web Application**, [Github Repo](#), [See Video](#) Sept 2023 — Sept 2023
- **Tech Stack Used** - HTML/CSS, JavaScript, Socket.io, Node.js, Express.js, EJS, MongoDB, Multer, PassportJS, Nodemailer.
 - **Key Features** - **Email Notifications**, Enhanced Security, Sleek Design, **Password Security**, **Multimedia Support**, Profile Management.
- Frontend Websites**, [Live Demo](#) Sept 2023 — Oct 2023
- **Tech Stack** - HTML5, CSS3, JavaScript, GSAP, SweetAlert, Bootstrap.
 - **Key Features** - **Creative**, Different themes, **Responsive**, Animations.

EXPERIENCE

- Web Developer (Intern)** March 2022 — April 2022
LueurTech Software Solutions Pvt. Ltd. Remote
- Led a team in crafting a seamless **full-stack web app**, utilizing **Node.js for a robust back end** and ensuring cohesive front-end.
 - **Championed MERN stack** for website development, yielding a 40% boost in data accuracy, perfectly aligning with our goals.
 - Drove website development with meticulous **testing**, adept **debugging**, and vital deployment support for diverse projects.
- Front-End Developer (Intern)** May 2021 — Nov 2021
Inventrom Pvt. Ltd.(Bolt-IoT) Remote
- Expanded my expertise by actively participating in the development of applications, using **React, Node and Express**.
 - Assumed an essential role in **maintaining code quality** and upholding **coding standards**, contributing to team's.
 - Possess expertise in seamlessly integrating React with **RESTful APIs** and a strong command of React core

SKILLS

Programming	C++, HTML, CSS, JavaScript, Python
Libraries	ReactJs, Redux Toolkit Node.js, ExpressJs, EJS, GSAP, Multer, Nodemailer, PassportJs, Bootstrap, Tailwind, Pandas, Numpy, Matplotlib, Seaborn.
Tools	VS Code, Sublime Text, GIT, GitHub, MacOS, Windows, Postman, ThunderClient, MS Office Products, Gretl, PowerBI(Basics)
Databases	MongoDB, MongoDB Atlas, SQL

CERTIFICATIONS

1. **Cisco**. Introduction to Cybersecurity, C++ (2023).
2. **Udemy**. Learn Ethical Hacking From Scratch by Zaid Saib (2023).
3. **Sheryians-Coding-School**. DBMS with MySQL (2023).
4. **NIIT-Foundation**. Program Informatics and Computer Basics (2021).

AWARDS & HONORS

- 2023** LeetCode October badge ; LeetCode May badge; 4-Star at HackerRank in SQL and C++; 2.9-Star at LeetCode.
- 2022** **Under 1000** ranking among 20k+ student in a Hackathon organised by **NIT-Bhopal** on CodingNinjas.
